ASSIGNMENT 2 - RESUME

Due September 18 at the beginning of class. We'll have a crit.

1. **Create an html resume.**

   Consider organizing everything into a multi-page web site that is user friendly. However, if you want to make it just one page, that's ok.

2. **You will be graded on these criteria:**

   - Code Structure (paired tags - html, head, title, body, etc.) - 5 points
   - Alignment of text and graphics on page; overall placement of images
   - and text; color choices of text and background - 5 points
   - Content included appropriate content for a resume - 2 points
   - Use of ordered or unordered lists for content - 3 points
   - Use of CSS for styling body copy, background and lists - 4 points
   - Use of email link & defined link states in CSS - 1 pt
